Dear Stroke Aid friends

Re: The dissolution of The Stroke Aid Society

This letter serves to inform you that due to financial reasons, The Stroke Aid Society has no choice but to dissolve our organization. As you may be aware, over the past few years we have been struggling to raise funds in order to keep our doors open. We are very grateful to both the National Lottery and the other organizations and individuals who have given us funds, over the years. Unfortunately, there has been a significant decline in the number of donations we have been receiving from the public and the National Lottery has been unable to fully sponsor us.

Regrettably, we have to start the process of dissolving our incredible organization which has been in existence since 1984 and has helped Stroke Survivors and their families in Soweto, the South Rand and the North-East of Johannesburg. The Stroke Aid Society will therefore no longer be as a registered NPO/NGO and we will be unable to offer support via our website and our landline.

We take this opportunity of thanking our sponsors over the years. May all their endeavours meet with success.

It certainly is a sad day for all of us that have been involved with the organisation The Stroke Aid Society for so many years.

KINDLY NOTE THAT OUR BOX NUMBER IS NO LONGER ACTIVE

Yours Sincerely
SANDRA COLOMBICK
OFFICE MANAGER
